

Selected Readings in Business: Millennium Edition: Travels on the Web Update

Chap.	Page	URL	Directions
1	15	www.futurist.com	The directions are correct as long as the PC has Java, which is a software program that controls animation. If not, the Web page doesn't work appropriately.
1	15-16	www.gwforecast.gwu.edu	Click on Forecasts. You will find E-Commerce, Energy & Environment, Information Technology, Manufacturing & Robotics, Medicine & Biogenetics, Space, and Transportation.
		http://www.techcast.org/	
3	44	www.businesswire.com	This site is a news site, so it has been updated.
		www.themanager.org	Substitute web site: www.themanager.org Click on Strategy and Mergers and Acquisitions to find articles.
3	44	www.merger.com	There is no link to M&A News by Industry, but click on Research to find interesting articles about M&A.
4	57	www.computerworld.com	Click on Advanced Search. Type the words "Computerworld" and "web site globalization" to find the first and the second articles. In order to search for the third article, type the words "Computerworld" and "multilingual domain."
5	69	www.netsol.com	Revised directions: Create your own web site address. Check on whether it is already registered to someone. Type domain names in the box of Domain Search and click on Search.
6	80	www.economist.com	Delete this URL because this article is not from the Economist web site but from the magazine. Use the database ABI-Inform to find the article. In ABI-Inform, type the words "economist" and "stop sign law."
		ABI-inform	
6	80	www.foreignpolicy.com	This is the same situation as <i>The Economist</i> . (You can find the title of this article on the web, but you need to register to see it.)
6	80	www.ciao.gov	Delete this site.
		www.usdoj.gov/criminal/cybercrime	Substitute site: www.usdoj.gov/criminal/cybercrime This site has information about cyber crime.
6	80	www.nipc.gov	Delete this site.
7	99	www.carvings-international.com	Delete this site. Substitute www.shiana.com
		www.shiana.com	
7	99	www.dgimports.com	Delete this site. Substitute www.world-shoppe.com Also use this site: www.fairtradefederation.org Click on Online Catalogs or Retail Sales to find a variety of shopping sites.
		www.world-shoppe.com	
		www.fairtradefederation.org	
8	111	www.celera.com	The Therapeutic Discovery option is gone. Instead, click on Research & Development and click on Discovery to read articles about current projects.
10	141	www.idea.int/gender	Click on Themes and Women in Politics. Click on Highlights: Quotas for Women, Women in Parliament, Women in Politics Activities, Voter Turnout. This site has been updated, and Popular Resources is gone. Click on Topics and then on Topics in Development. Then click on Gender, Features, and Gender Stats.
10	141	www.worldbank.org	
11	156	www.expatica.com	Expatica Jobs is located at the bottom of the home page. It provides specific information on finding a job in a particular country.

11	156	www.dowjones.com	The Electronic Publishing option does exist. You can click on it to find the link to College Journal under the category Consumer Electronic Publishing. But if you want to go to College Journal, it is easier to type the URL www.collegejournal.com directly.
		www.collegejournal.com	
12	170	www.negotiations.org	Instead of Explore Topics, click on Tech Notes to find Culture and Negotiation or Corruption and Negotiation.
12	170	www.cfo.com	The Browser Archive is gone. To find the article, click on Magazines, and Browse CFO and CFO IT, and choose September 2001 and CFO. Then click on View September issue. As an easier alternative, type the words "Roger Fisher" in the SEARCH CFO.COM box.
14	206	www.entrepreneurs.com	Click on To the Links. Then click on Starting Out. Under Links, click on Small Business Knowledge Base.
