

Pain, Death, and the Law

Law, Meaning, and Violence

The scope of Law, Meaning, and Violence is defined by the wide-ranging scholarly debates signaled by each of the words in the title. Those debates have taken place among and between lawyers, anthropologists, political theorists, sociologists, and historians, as well as literary and cultural critics. This series is intended to recognize the importance of such ongoing conversations about law, meaning, and violence as well as to encourage and further them.

Series Editors:

Martha Minow, Harvard Law School
Elaine Scarry, Harvard University
Austin Sarat, Amherst College

Narrative, Violence, and the Law: The Essays of Robert Cover,
