Acknowledgments

I have incurred debts, some quite great. I thank above all Ronnie Gruhn and Harold Jacobson. I am indebted as well to comments I received from Barbara Anderson, Lars-Erik Cederman, David L. Chappell, Matthew Evangelista, Eric Gampel, Ellen Gordon, James Hollifield, and A. F. K. Organski. My research was aided in various ways by the Center for Political Studies at the Institute for Social Research, the Immigration and Naturalization Service, the Institute for the Study of World Politics, the National Archives, Rackham Graduate School, and colleagues at Williams College and the Oakley Center for the Humanities and Social Sciences.
