Acknowledgments

Grateful acknowledgment is owed to Luzmilda Thomas and Donald H. Ford for permission to examine documents held by the Eric and Sadie Dolphy Trust.

The editor wishes to thank Cecilio Thomas for his dedication to the legacy of Lorenzo Thomas. Karen Luik has been of invaluable assistance in making this project possible. Julius Lobo assisted in researching many of the sources that were left incomplete at the time of the author's death and helped in the preparation of the final manuscript. A particular note of thanks goes to LeAnn Fields and all of the staff at the University of Michigan Press for bringing Lorenzo Thomas's last prose work to an eager audience. Some portions of this book were originally delivered as talks or lectures, or appeared in slightly different form in pamphlets, papers and other venues. The editor appreciates that early support for this enterprise and acknowledges the good taste and editorial wisdom of those who have gone before.
