

TABLE 4.1. Simulation Schedule for a Semester Course

Two rounds, one cyber and one face-to-face, with a limited time break between rounds		
Week	Main Activity	Simulation Choice
1 to 3	Student preparation for the simulation, by solitary learning and in class meetings or distance learning instruction by the educator	Cyber and face-to-face
4 and 5	Intrateam activities for policy formation with flexible login time	Cyber
6	Round 1 of world politics for two hours at a fixed time	Cyber
7	Debriefing and intrateam reevaluation	Cyber and face-to-face
8	Round 2 of world politics as a daylong on-campus event	Face-to-face
9 and 10	Final simulation analysis: summary, feedback, debriefing, and assessment with personal, intrateam, and interteam perspectives	Cyber and face-to-face
