Evaluation		
What is your		Rank on a scale from high to low and explain your choice in a text answer
12	Familiarity with the simulation topic	
13	Experience with simulations	
14	Experience with social networks	
To what extent do you expect to gain		
15	Empirical knowledge	
16	Comprehensive theoretical knowledge	
17	Understanding of alliances and special relationships	
18	Understanding of the complexities of world politics	
19	Understanding of media roles and their impact on politics	
20	Practice of empathy	
21	Experience with teamwork	
22	Practice of leadership	
23	Rhetoric skills	
24	Critical thinking	
25	Creativity	
26	Skills to cope with workload	
27	Skills to cope with change and time pressure	
28	Skills to cope with challenges	
29	A high grade	
30	A unique simulation experience	
To what extent do you agree that		
31	<i>Realism</i> is the leading ideology/theory in world politics
